

★INVITATION★

Cathedral Hill Hospital, St. Luke's Hospital,
Cathedral Hill Medical Office Building and
Davies Medical Office Building

Local Business Enterprise Informational Meeting

Dear Colleagues,

HerreroBoldt, Charles Pankow Builders, and Herrero Contractors, Inc cordially invite you to attend an important Construction Contractors' Informational Outreach Meeting which will provide information about the upcoming construction of the following California Pacific Medical Center projects:

- Cathedral Hill Campus located on Van Ness at Geary, approximately 920,000 square foot, 15 story, 555 bed new hospital
- Cathedral Hill Medical Office Building located on Van Ness at Geary, approximately 490,000 square foot medical office space with 7 levels of below grade parking and 9 levels of above grade space
- St. Luke's Campus, located at 3555 Cesar Chavez Street, a new 80 bed acute care replacement hospital and interior renovation of the 1957 building
- Davies Campus, the Noe Street Medical Office Building, located at the corner of Noe and Duboce Streets, approximately 50,000 square feet, 4 story new building with clinic space, medical office space, lobby space and a pharmacy

Construction Contractors based in San Francisco are encouraged to attend in anticipation of learning about these CPMC projects, the Integrated Project Delivery process, a Project Labor Agreement, local hiring initiatives and goals, and to meet the Project Teams and Prime Subcontractors.

HerreroBoldt, Charles Pankow Builders, and Herrero Contractors, Inc.
